RE: Price Increase Announcement

Dear Valued Customers & Sales Associates:

Due to the ongoing and significantly rising cost escalation of steel for metal framing strut channel, G-STRUT will be implementing a price increase effective February 12, 2024.

Price increases for product group offerings are as follows:

G-STRUT Channel	12% increase
Roof Blocks	6% increase
Strut Fittings	No change
G-FORCE Hangers & Supports	No change
All-thread rod	No change

Gregory is working diligently to meet our customers' ongoing needs as quickly and cost effectively as possible. Please don't hesitate to call any of our team should you wish to discuss further. We will continue to keep you informed of changes as they occur.

Thank you for supporting Gregory Strut.

Best regards,
