RE: PRICE INCREASE NOTIFICATION – Steel and Vinyl

Dear Valued Customer,

We continue to see a steady increase in domestic steel pricing. Additionally, the costs of petroleum-based products have also seen steady increases over the past few months. This has increased our costs for production of all Building Products. As a result, AMICO is announcing a price increase on all steel and vinyl products shipped on or after June 15, 2026.

New price sheets will be available from our sales representatives the week prior to the effective date of the increase.

AMICO will continue to mitigate these increases to the best of our ability. We will stay committed to supplying you with the best product in the timeliest manner possible. We sincerely appreciate your loyalty and understanding.

Best regards,

Joe Strobusch
