Price Increase Announcement

To Our Valued Customers:

Due to continued escalation in energy and transportation costs, along with rising galvanization prices, ClarkDietrich will implement a price increase on all products nationwide, including both exterior and interior product lines, effective July 6, 2026.

These added cost pressures have made this adjustment necessary to ensure continued product availability, operational reliability, and the high level of service our customers expect from ClarkDietrich. We remain committed to delivering industry-leading quality, innovation, and supply performance across all markets.

Updated price lists will be published to all markets prior to the increase. As a reminder, invoice pricing is determined at the time of shipment.

ClarkDietrich will continue to honor all existing quotes in accordance with our job quote policy, which can be found at the link below.

Please continue to utilize our customer portal, CD Link, to view and award open projects. If you have any questions, please don't hesitate to contact us.

Thank you for your continued support.

Sincerely,

ClarkDietrich
