

May 7, 2026

Dear Valued Customer,

Due to recent increases in raw materials, packaging and fuel costs, we find it necessary to increase our prices with shipments on or after June 8, 2026.

Despite our ongoing efforts to absorb these rising costs through operational efficiencies and internal cost controls, the magnitude and persistence of these increases now require us to make a necessary adjustment to our pricing.

Effective June 8, 2026, our prices will be adjusted approximately 7% on Finish Goods, Tape and Cornerbead Trims, and Steel Framing Accessories.

We understand that price changes can be challenging, and we remain dedicated to working closely with you to minimize any disruption. We sincerely appreciate your understanding and continued partnership. If you have any questions or would like to discuss this adjustment further, please do not hesitate to reach out to myself or your local Sales Representative.

Sincerely,

A handwritten signature in black ink, appearing to read "Todd Landreth", is written over a light blue horizontal line.
