RE: PRICE INCREASE NOTIFICATION – Steel

Dear Valued Customer,

With the continued steady increase in domestic steel pricing and transportation costs, our costs for production of all steel Building Products have increased. As a result, AMICO is announcing a price increase on steel products shipped on or after September 1, 2026.

New price sheets will be available from our sales representatives the week prior to the effective date of the increase.

AMICO will continue to mitigate these increases to the best of our ability. We will stay committed to supplying you with the best product in the timeliest manner possible. We sincerely appreciate your loyalty and understanding.

Best regards,

Joe Strobusch
