Re: Freight Surcharge Adjustment

We are writing to inform you of a revised freight surcharge effective November 23, 2026.

Since our last freight adjustment, diesel prices have risen nearly 40% and carrier capacity remains tight. Longer hauls absorb the largest share of this cost. This freight surcharge adjustment applies to all orders shipped on or after November 23, 2026.

Freight Surcharge – effective November 23, 2026:

Shipping Distance	Freight Surcharge per Shipment
100 miles or less	$1,250 (no change)
Greater than 100 miles	$1,850

We appreciate your continued support of Hunter Xci. If you have any questions regarding this announcement, please contact your Regional Sales Manager.

Sincerely,

Jennifer Holsinger – Director, Hunter Panels
